## REQUEST FOR RECONSIDERATION

Commissioner for Patents  
Alexandria, VA 22313-1450

Dear Sir:

The undersigned contacted the Examiner by telephone on December 10, 2003 to inquire about the status of the application. Applicant had previously filed a Terminal Disclaimer and Request for Reconsideration on September 23, 2003, as well as a Petition for Extension of Time on September 26, 2003, all by facsimile. In the interview, the Examiner indicated that he had not received the Terminal Disclaimer and Request for Reconsideration, but had received the Petition for Extension of Time.

Applicants respectfully submit that the Terminal Disclaimer and Request for Reconsideration were properly filed. As requested by the Examiner in the telephone interview, Applicants attach a copy of the Terminal Disclaimer and Request for Reconsideration, as filed by facsimile to USPTO facsimile number (703)872-9315. Also attached are a transmission report from the sending facsimile machine, indicating successful transmission, and an Auto-Reply Facsimile Transmission from the USPTO confirming receipt of the facsimile transmission.

Note that the Terminal Disclaimer and Request for Reconsideration each contain a certificate of facsimile transmission under 37 C.F.R. 1.8 certifying facsimile transmission by Angela Watson on September 23, 2003.

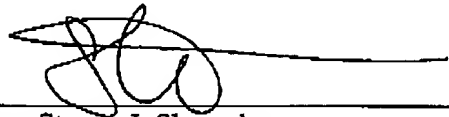

In light of Applicants' proper submission of the Terminal Disclaimer and Request for Reconsideration, Applicants respectfully request that the Examiner enter such papers into the application, and proceed with further examination. Applicants believe that no fee is required. In the event any fee is due, please charge such fee to Deposit Account No. 50-1778.

TERMINAL DISCLAIMER

Commissioner for Patents  
Alexandria, VA 22313-1450

Dear Sir:

The owner of record of a 100 percent interest in the above-identified application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the term of prior U.S. Patent No. 6,088,038. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors and/or assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of the prior patent, as presently shortened by any terminal disclaimer, in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims

cancelled by a reexamination certification, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

The undersigned is an attorney of record.
